EXPERIENCE

CODELABS INTERN AT CODEDAY | SOFTWARE ENGINEER INTERN

July 2020 - August 2020 | Remote
CodeLabs is a part of the non-profit group CodeDay, and pairs up students with
mentors from leading tech companies to work on open-source projects. My project is
a web application that will, when given a certain monetary value and a currency type,
will return the value of the monetary value given a different currency type using an
external API, a PostgreSQL database, and a web-based server.

THREAD INC. | PUBLIC RELATIONS COMMUNICATIONS INTERN

July 2020 - Present | Baltimore, MD
Use Pardot platform from Salesforce to update database and mailing list as needed.
Take part in call campaign to update information in database and aid Thread in better
interacting with the Spanish speaking community in Baltimore through new
initiatives.

VILLAGE LEARNING PLACE INC | TEACHING ASSISTANT

January 2020 - August 2020 | Baltimore, MD
Teach reading, math, writing, and social skills to 5th and 6th graders from Baltimore
inner-city public schools. Observe students' performances and record relevant data.

BANK OF AMERICA | FINTECH FOCUS FELLOW

July 2019 - August 2019 | New York, NY
An immersive program sponsored by a consortium of top-tier financial institutions to
gain a foundational understanding of the FinTech sector and computer science. The
task assigned was to build full-stack web applications using the Flask web framework,
MongoDB, Python, HTML, and CSS.

EXTRACURRICULAR EXPERIENCE

SPANGLISH ORGANIZATION | VOLUNTEER

July 2020 - Present
Teach and provide personalized English classes to low-income students from Peru
through the connection with college students from the United States.

SOCIETY OF HISPANIC PROFESSIONAL ENGINEERS (SHPE) | MEMBER

August 2019 - Present
Helped provide access and prepare Hispanic high school students become future
STEM leaders by teaching Algebra classes to local students.

ORGANIZACION LATINA ESTUDIANTIL | MEMBER

August 2019 - Present
Member of an organization which strives to create an inclusive environment for the
Latino community.

JOHNS HOPKINS TUTORIAL PROJECT | MEMBER

August 2019 - January 2020
Provide tutoring for disadvantaged public school students in the local Baltimore area.
